KNOWN ABOUT 3D PRINTING

3D printing is no longer just a figment of your imagination. This remarkable technology is coming to the masses with the growing availability of 3D printers.

3D PRINTING WORKSHOP

3D printer is unlike of the common printers. On a 3D printer the object is printed by three dimension. A 3D model is built up layer by layer.

FABRICATOR

Employing additive layer technology offered by 3D printing, Terahertz devices which act as waveguides, couplers and bends have been created.
